T-700MX

Motorized VST 19"-23" Programmable Elliptical Exercise Cross Trainer ----->		
1. Unit Dimensions (L*W*H) inch/cm Footprint ----->	168*84*175 cm	66*33*69 inch
2. Unit Weight Lbs / Kgs ----->	198 Lbs	90 Kgs
3. Maximum User Weight Lbs / Kgs ----->	325 Lbs	147 Kgs
4. VST Range (Variable Adjustable Stride Length) inch / mm ----->	19-23 inch	48 -58 cm
5. Resistance Level ----->	1-24	
6. Heart Rate Monitoring (EKG-contact) ----->	YES	
7. Power Requirement (AC Adaptor) ----->	YES	
8. Pre-set Workout Program Can be set 4 Users ----->	24	
9. Custom Workout Program (Including New Random Program provide unlimited profile for choice) ----->	unlimited	
10. 7" LCD 3 color back LT Console Display Type ----->	YES	
11. Multi-Function Rotary Encoder for Display console ----->	YES	
12. Encoder Button for: Distance, Time, Speed, age, Sex, Body Weight, Height, Heart rate, Calories ----->	YES	
13. Tablet Smart Phone System (iOS/Android) with Tablet Equipment Holder ----->	optional	
14. KM / MILE Changeable Option ----->	YES	
15. Heart Rate Recovery ----->	YES	
16. Wireless HR Chest Belt included ----->	YES	
17. Build in Re-Charge facilities for all the Tablet equipment-iphone/IPAD ----->	YES	
18. Quick Start / Fitness Test ----->	YES	
19. HRC Function / Manual Program ----->	YES	
20. Personal Program up to four (4) users ----->	YES	
21. Bottle Holder & Storage Rack ----->	YES	
22. Infinite & Diverging Handlebars for the five most commonly used hand positions ----->	YES	
23. Toggle Switch Adjustment System with Fixed Handlebar ----->	YES	
24. Silent J6 Belt Rear Drive - Magnetic Resistance ----->	YES	
25. Eddy Current Magnetic System ----->	10 Kgs	
26. Speed Ratio (Special Large Ratio Design) ----->	1:12.7	
27. New oversize 60mmX60mm large robust and elegant front and rear foot stabilizer tube provide the extra stable for the unit. New floor level adjustment knob system provide the quick/easy level the product. ----->	YES	
28. Zero to Six degree easy adjustable foot pedals include with the unit to provide the choice of most comfortable exercise foot pedal position for exercise. ----->	17*6 inch	43.5*15 cm
29. Special LED Stride Board combine with Cooling Fan Indicator System Display the Motorized Stride Length in use ----->	YES	
30. Transportation Wheels for Easy Moving and Storage new Robust and Elegant Stabilizer (Front/Rear) ----->	YES	
31. Special Aluminium Rail together with the Strong & Heavy Duty P.U. Roller with Ball Bearing, Function with the second Drive Step Tubes and Centralize Adjustments System ----->	YES	
32. Pre-Install Music Power Audio System with the High / Low speakers, MP3/IPOD Compatible System with build-in cable, one 2.0 meter extra long cable and earphone included ----->	YES	
33. Warranty: Frame - Lifetime Parts - 3 years Labor - 1 year ----->	YES	
34. A Pair of working gloves & one maintenance cleaning towel Included with all items ----->	YES	
35. In order to provide user the easy assemble the VST machines all unit shipped with pre-assembled condition With Two shipping Cartons carton 1—the Main frame Carton 2—Pre-assembled VST system the packing info Are ----->	Carton-1 152*40*72cm Weight: 62KGS Carton-2 130*35*72 cm Weight: 49KGS
